

Carrie Farrell McAdoo

After graduation I went to work at Aerojet as a secretary. Following that I worked for the state of California. In 1962 I got married. Our daughter, Kim, was born in 1964. In 1965 we moved to Huntington Beach. Our son, Jon, was born in 1968. He passed away in 2004. Our next move was to Nevada City in Northern California. For the next 11 years I worked for an electronics firm.

After my divorce I decided to attend night school classes where I met my current husband and best friend, Mark. We've been happily married for 26 years. I have two stepchildren and 7 grandchildren. My daughter and her husband worked in Japan and I flew there to welcome my granddaughter.

Two years later I went to Singapore when my grandson was born. They currently live in Pennsylvania and I visit them at least once a year. I retired in 2004 where I worked in a hospital business office.

Mark and I enjoy the outdoors. We like to fish and go quadriding. Our Good Sam Club group makes camping fun and sometimes we venture out on our own. Our Gem and Mineral Club provide us with some interesting adventures.

Music is still an important part of my life and I enjoy singing in the church choir. I've also taken on some gardening projects at my church and recently replanted most of the flower beds. The Grass Valley area was my home from 1974-2009. We currently live in Yerington, Nevada which is in the high desert and 1 1/2 hours from Carson City.
