Sadly, because of job commitments, I'm not able to attend our reunion. I'm still working full time as an educational consultant in an Oakland Public School and so, can't be at a Sunday evening event. I attended both the 10 and 20 year reunions and had a wonderful time and know that this one would be great fun too.

I've attached a picture that was taken this summer at the wedding of one of my sons----as you can see, I have three grown and wonderful sons!

My thoughts and good wishes are with fellow graduates from the class of 1961 this weekend.

Warmly,
Sonia
