

Seale's 45th Wedding Anniversary

Richard and Kay were married in Upland, CA at Grace Lutheran church, on 11/6/1965. They have called Boulder home since 1975 when they moved here from Huntsville, AL.

They met at General Dynamics/Pomona. Richard was with the Army Missile Command and Kay was employed by General Dynamics. Coincidentally, both Kay and Richard were born and lived in Texas before moving to California.

They have two children, Stephanie (Bryan) Baum, of Longmont and Jeff Seale from Erie, with many grand dogs and grand horses.

Richard and Kay have two beautiful, precious and precocious grand children, Chase Lewis Baum, age seven and Brooklynn Kay Baum, age 3½. We can't forget Xing-Xing, their big black Pekingese boy, age 4.

Richard is the President/CEO of GBS, Inc., in Boulder. Kay has been retired for five years from the Boulder Police Department.

The Seales have enjoyed traveling all over the world and went to China, Japan and Southeast Asia to celebrate their anniversary earlier this year. A family celebration will be enjoyed here in Boulder following a trip to Hawaii in early November.

Aloha!!
